The Annual Business Meeting of the Women's College Club was held on Monday Evening, October 27th, at the home of Miss Scott, 56 Bayard Lane.

1919

The minutes of the last general meeting and of the last Executive Committee meeting were read by Mrs. Beggs in Mrs. Van Hoesen's absence, and the Treasurer's report was read and accepted. Mrs. Beggs gave a report of the Commencement Lunch Committee, stating that $162.94 had been cleared at that time for the Club.

The election of officers for the coming year took place, the following officers being chosen:

Mrs. J. D. Davis, President, by unanimous vote;
Mrs. B. G. Lewis, Vice-President;
Miss Clair A. Brewer, Secretary;
Miss Gertrude Purves, Treasurer;
Miss Josephine M. Hardy, Recording Secretary,
(this election to take effect as soon as the Constitution was amended to provide for that office).

Mrs. Coney then read the Constitution of the Club and the Amendments with a view to revising the Constitution. The following subjects were discussed, and it was moved that they be recommended to a revision committee:

(1) That there be two secretaries, a recording and a corresponding secretary, since the work is too much for one person.

(2) That the Executive Committee be elected, not chosen alphabetically from the Colleges, and that it be limited in number. It was suggested that the committee be made up of the officers, the chairmen of committees and two members at large.

(3) That the officers of the Club be elected in the Spring, to take office in the fall.

(4) That the Loan Committee be revised, so that the whole committee should not change at one time.

It was moved that the President appoint a revising committee to take charge of this work.

A discussion followed of ways of raising money for this year. Serving food at the Harvard Game was suggested, and it was left in the hands of the President to see whether this would be advisable.

It was voted that three prizes be offered, one in each of the three schools - the High School, the Grammar School and Miss Fine's School; that these prizes be $5.00 each, and that they be offered for improvement in the use of clear, grammatical English, as judged by the English teachers of the respective schools.

The meeting then adjourned.

Respectfully submitted,

Gertrude C. Purves, (signed)
Secretary pro tem.

1921 - 1922

At a meeting of the incoming Executive Committee of the Woman's College Club held at the residence of the Vice President, Miss Brewer, at 4:30 on Monday, September 26, 1921, five other members were present (including Mrs. Lewis, Mrs. C. Robinson, Mrs. Mershon, Miss Purves, and Mrs. Foster).

Several matters of business were discussed, the most important being the resignation of Mrs. E. G. Conklin as President of the Club, which we were forced to accept with sincere regrets.

It was voted that, as the former nominating committee had resigned during the summer, the Vice President should appoint a nominating committee to nominate a President for the Club, the nomination to be acted upon at a special business meeting of the Active Members of the Club, to be held as soon as possible.

Miss Brewer appointed the following committee: Mrs. Raycroft, Mrs. Loomis, Mrs. Beggs.

The Executive Committee voted to publish the Revised Constitution, and to send a copy to every member of the club, also a revised list of the officers and members of the club, with the name of their college, as soon as possible after the Fall Membership Drive.

The Treasurer was instructed to send out due bills about October 1.

While Miss Brewer was serving tea an informal discussion of several matters of interest to the club was held, but action upon the same was held over until after the election of a President.

Respectfully submitted,

Special Business Meeting.

A special business meeting of the active members of the Woman's College Club was held at the Y. W. C. A. rooms at 4 o'clock on Monday, October 17, 1921, the Vice President, Miss Brewer, presiding.

Miss Brewer called for a report from Mrs. Raycroft, chairman of the nominating committee which had been appointed to secure a successor to Mrs. E.G.Conklin, resigned, as President of the Club, and the name of Mrs. Henry B. van Hoesen was proposed. The motion was made, seconded, and carried that the Recording Secretary cast the ballot, which was unanimous, whereupon Mrs. van Hoesen took the chair.

Mrs. van Hoesen called upon Mrs. Raycroft for a report of the Woman's Exchange Committee, which was read and accepted.

Mrs. Beggs, chairman of the Luncheon Committee, gave a brief report of the luncheon served at the time of the Yale game in June, where about $167.97 was cleared. It was voted that this method of raising money be continued. (See report).

(Small Book)

Mrs. van Hoesen spoke of the prizes in English, which the club had voted to give to one pupil in each of the three schools: The Princeton High, The Grammar School, Miss Fine's; and it was voted that the (Cor.) Secretary notify these schools about the prizes.

The question of the method of obtaining new members for the club was next taken up, and it was voted that all club members send in the names, with college, of any women whom they knew of as eligible for club membership, to the Chairman of the Membership Committee, who will issue an invitation to them to join the club. (But it is also perfectly proper for anyone who is eligible to send in her own name to the chairman, see By-Laws, Art. 1.)

It was voted that all officers and committees hold over until October 1, when the new officers assume office.

The motion which was tabled at the last meeting, in regard to money refunded by girls who had used it to go

to college, was next taken up, and a motion to put it into a scholarship fund was voted down.

It was moved by Miss Brewer that a committee be appointed to go further into the matter and report back, and this motion carried.

Mrs. Loomis moved that the meeting adjourn.

Executive Committee Meeting.

At a meeting of the Executive Committee of the Woman's College Club, held at the home of the President, Mrs. van Hoesen, at 4 o'clock on Monday, November 7, 1921, twelve members were present.

After reading and accepting the minutes of the special meeting of the Executive Committee held September 26, and of the special business meeting of the active members of the club held at 4 P.M. on Monday, October 17, at the Y.W.C.A. rooms, the President called for a report from the Treasurer.

* Miss Purves reported the total expenditures as $720.76, with a balance on hand in the General Fund of $337.13. $125.00 has been refunded (see report) by one student to whom it was loaned, so that there is a total balance on hand of $565.97 in the Sinking Fund.

Mrs. Dixon, Chairman of the Membership Committee, reported that the present membership of the club is

133 Active Members,
43 Contributing Members,

176 Total Members.

The Loan Committee, of which Mrs. Loomis is Chairman, reported that $125.00 of money which had been loaned to one girl had been repaid.

The Investment Committee had no special report.

Mrs. Fetter, Chairman of the Entertainment Committee, reported that the work of that committee had been divided into three sections:

(1) The Subscription Dances, at Thompson Hall, with Mrs. Bernard Peyton, Chairman.

(2) The Afternoon Teas, Mrs. Chalfont Robinson, Chairman.

(3) The Evening Entertainments, Mrs. Fetter, Chairman.

It is planned to have a tea every two weeks and an evening entertainment every two weeks, with possibly one or two extra.

After a discussion as to the advisibility of serving refreshments at the evening meetings it was voted that the plan of last year be continued this year, i.e., no refreshments to be served at the evening meetings.

The Publicity Committee had no report to make.

Mrs. Raycroft, reporting for the Woman's Exchange, said that Mrs. Coney had agreed to share her work, but there is great trouble in getting volunteers to help at the Exchange on Saturday mornings. The present plan of the Committee is to have special sales of needle work at certain times only, but to try and run the "Cooked Food" branch of the work every Saturday morning, until January 1, then to decide about continuing the work.

After the reports of the various committees had been read and accepted several items of old business were brought up and discussed.

Miss Marquand reported that the club had gained about $40.00 from the High School Play last year. It was voted that Miss Vanderbilt ask the Senior Class to give a second performance of their play this year and give part of the proceeds to the Woman's College Club. (Miss Vanderbilt says that the boys rather object to this use of the money which they help earn.)

Mrs. Foster asked instructions in regard to printing the names of the colleges after members' names in the new booklet, and it was voted that, whenever a member had enrolled in more than one college she should be asked to which college she wished to be accredited, and it should be so stated in the records.

It was also voted that we should define, for club membership purposes, a "college student" to be "anyone who has enrolled for academic work at an accredited

Annual Fall Meeting of the Woman's College Club.

The regular fall business meeting of the Woman's College Club was held at the residence of the President, Mrs. H. B. van Hoesen, at 3:30 on Friday afternoon, November 18, 1921.

The minutes of the Special Executive Committee meeting held on Nov. 7 were read and approved.

The report of the Corresponding Secretary and the Treasurer were read and approved.

Mrs. Coney, Chairman of the Investment Committee, sent word that there was now on hand in the Sinking Fund $565.97.

Mrs. Dixon, Chairman of the Membership Committee, reported that there had been several resignations from the club, and that one associate member had been transferred to the active list, so that at the present time the membership includes 134 active members, 39 contributing members, making a total of 173 members.

The Publicity Committee had no report to make.

The Exchange Committee, Mrs. Raycroft, Chairman, reported that the special sales at the Y.W.C.A. rooms had begun, the first one being held on Saturday A.M., Nov. 12, and special sales were to be held as follows:

Nov. 19 - Canned goods, jams, etc.
Dec. 10 - Xmas delicacies.
" 3
" 17 - Art and needlework.

Mrs. Fetter had no new report except that cards would soon be sent out announcing the entertainments planned for the near future.

Mrs. Loomis, Chairman of the Loan Committee, presented the following report: (see report attached).

After accepting this report the club voted thanks to this committee, which is to be continued.

The method of presenting the names of new members was brought up by Miss Brewer, and after discussion it was moved by Miss Vanderbilt, seconded by Miss Brewer, and voted by the club that the following resolution be put into effect at once, so that time might be saved in the future:

"Be it resolved that the Recording Secretary be authorized to search the minutes of the club to date and codify for reference resolutions found therein;

"And be it resolved that copies of such resolutions as pertain to various committees be handed to the Chairman of each committee at the beginning of the club's year for the instruction and guidance of the business of that committee;

"And be it further resolved that the Recording Secretary throughout the year send to the various chairmen copies of those resolutions pertaining to their respective committees, which may be passed from time to time." (As per M. T. Vanderbilt).

Mrs. Beggs suggested that on the back of the Club Dues slip should be printed By Law Art. II, as amended:

"The names of proposed contributing members, each endorsed in writing by five active members, shall be sent by an active member to the Chairman of the Membership Committee and by her (be) presented to the Executive Committee."

After a discussion as to the exact meaning of the words "accredited colleges", the meeting adjourned, and the active members were joined by the associate members in the dining-room, where a delightful social hour was spent.

November 18, 1921. Recording Secretary.

mittee, who was unable to be present, sent word that her committee had in mind several speakers for evening entertainments and that cards giving names of speakers and dates of meetings would soon be sent out. She also said that the Subscription Dance at Thomson Hall would be given as usual, this year Mrs. Bernard Peyton having charge for the College Club. (Informal report, by Mrs. van Hoesen, said that after sharing with the Hospital Committee last year our share of the proceeds was about $350.00.)

The Chairman of the Membership Committee announced that the list of club members soon would be in the hands of the members. She also presented the name of Miss Mary O. Hale for Associate Membership, and her name was favorably acted upon by the committee.

The Investment Committee and Loan Committee were called upon for reports but had nothing new to report.

Miss Vanderbilt, Chairman of Publicity and Information, reported that Miss Jeanne Wright would take charge of the notices for "The Packet" and "The Trenton Times", that Mrs. Eddy would furnish information about Loans and see to notices in the papers about Scholarships, etc.; and that Mrs. Hulett would try to get someone to speak to the High School girls about going to college, and would try to get a speaker to talk to a group of mothers of girls who wanted to go to college, and to suggest to them ways of saving money so as to help the girls go.

This report was accepted with thanks. Mrs. Coney

reported for the Exchange Committee (as Mrs. Raycroft was unable to be present) that there had been so little response from the College Club members in the way of actual help that it seemed best to the committee to turn over the enterprise to the Y. W. C. A., who could carry on the work with much less effort than our club can.

It was moved by Mrs. Coney, seconded by Mrs. Foster, and voted that we suggest to Mrs. Raycroft that she offer to turn over the work of the Woman's Exchange to the Y. W. C. A.

Before adjourning the meeting an announcement was made that the lecture which was to have been given at Mrs. Capp's tomorrow evening, would be given at Miss Mac Donald's on Library Place (Feb. 3, 1922).

Respectfully submitted,

February 2, 1922.

Executive Committee Meeting.

A meeting of the Executive Committee was held at the home of the President, Mrs. van Hoesen, at 4 P.M. Tuesday, April 11, 1922, with ten members present.

The minutes of the last Executive Committee meeting were read and approved (with a correction about the Woman's Exchange).

The report of the Corresponding Secretary was read and accepted.

The report of the Treasurer showed that there was a balance on hand, in the General Fund of $391.98

" " Sinking " "	90.02
" " Scholarship ""	35.84
making a total on hand according to bank statement, of	$517.84

Mrs. Dixon reported for the Membership Committee that the name of Mrs. Ruth Iglehart, endorsed by five active members, had been presented for associate membership in the club and it was voted that Mrs. Iglehart be admitted as an associate member.

The Social Committee had no report to make except to say that two of the three subscription dances had been held, and that they were well attended, and that there would be one more tea, at the home of Mrs. Paul Howe on May 26. Also, that the Annual Business Meeting of the club would be held at the home of Mrs. van Hoesen on Friday, May 12, at 8 P.M.

Miss Vanderbilt, reporting for the Publicity Committee, said that notices had been sent to the schools and to The Packet, in regard to the Loans, Scholarships, etc. She reported that there would be two talks given at the High School, one on April 17, on "Why Go to College", by

Dr. Lucy Wilson, the other on May 2, when Mrs. Butters (of Rutgers) would talk about "Budgeting", and Miss Eleanor Ely Ford, on "How to Get Your Money's Worth".

It was voted that we pay the expenses of both of these speakers, also the expenses of Mrs. Hulett who had to make a special trip to Philadelphia to arrange for one of these speakers.

Mrs. Coney reported for the Investment Committee that 3 Argentina Bonds had been bought cheap.

Mrs. Loomis reported that the Loan Committee had had one application for a loan of $200.00 from a girl, who has a good average school record, who wants to go to Smith. This girl has been working after school for three years to earn money. It was voted that this loan be made.

For the Exchange Committee it was stated that orders were still being taken and that the Y. W. C. A. would not take over this work until the fall.

After all reports had been accepted it was voted that Mrs. van Hoesen appoint a nominating committee, to nominate officers at the Annual Business Meeting in May.

2,300 BOOKS FOR SAILORS

Mrs. Constable Thanks Princetonians for Answering Appeal.

To THE PRINCETON HERALD:

Through the medium of your newspaper last May, you helped bring the attention of the Princeton public to the need of books for the American Merchant Marine Library Association.

The response was most satisfactory and over 2,300 books were sent to headquarters in Philadelphia, from there to be distributed and circulated among the sailors, light-ship and light-house keepers and others employed at sea whose work prevents them from enjoying the privileges of our Public Libraries.

The following letter of acknowledgement will interest those who contributed and perhaps stimulate others to deposit text books or any unused books with the Woman's College Club Committee of next year:

2,300 BOOKS FOR SAILORS

Mrs. Constable Thanks Princetonians for Answering Appeal.

To The Princeton Herald:

Through the medium of your newspaper last May, you helped bring the attention of the Princeton public to the need of books for the American Merchant Marine Library Association.

The response was most satisfactory and over 2,300 books were sent to headquarters in Philadelphia, from there to be distributed and circulated among the sailors, light-ship and light-house keepers and others employed at sea whose work prevents them from enjoying the privileges of our Public Libraries.

The following letter of acknowledgement will interest those who contributed and perhaps stimulate others to deposit text books or any unused books with the Woman's College Club Committee of next year:

"My Dear Mrs. Constable:

"On behalf of the Philadelphia Committee of the American Merchant Marine Library Asscoiation we wish to thank you for your wonderful co-operation during Book Week.

"We are glad to say that our drive has been a tremendous success—one of the most remarkable in the whole history of the organization all over the country.

"We feel that this is largely due to your kindness and willingness to help and wish we could adequately express our gratitude for all you have done.

Annual Business Meeting

The Annual Business Meeting of the Woman's College Club was held at the residence of Mrs. George Macloskie on Friday evening, May 12th, at eight o'clock, with twenty-three members present.

The minutes of the Recording Secretary, Mrs. Foster, were read and approved.

The minutes of the Corresponding Secretary, Mrs. Irving Mershon, were read and approved. This report showed that nearly 1,600 postals had been addressed and sent out during the year, including 170 sent out for the Woman's Exchange and about 30 for Executive Board meetings, besides notices of all the regular meetings, teas, etc. The amount expended for these cards was $30.50, but a few cards are left over for Executive Board use this next year, so that the actual cost for the past year has been $28.50.

Following this report Miss Gertrude Purves gave her report as Treasurer of the Club. This report shows that in the General Fund the total receipts have been $1999.89 while the expenses have been $1276.46, leaving a balance on hand of $723.43.

In the Sinking Fund the total receipts were $325.02, the expenditures were $235.00 for three Argentine bonds, leaving a balance on hand of $90.02.

It was moved that a vote of thanks be sent to Mrs. Bernard Peyton in appreciation of the splendid work she and her committee did in conducting the Subscription Dances, which alone added ($700.00) to our General Fund.

Mrs. Dixon, Chairman of the Membership Committee, reported that the present membership of the Club is 142 active members, and 39 contributing members, making a total of 181, and a gain of 13 members.

The chairman of the Publicity and Information Committee, Miss Vanderbilt, being absent, the President gave an informal report of the work which had been done by this Committee, which included notices written for "The Packet" by Miss Jeanne Wright, two talks arranged by Mrs. Hulett for the girls of the High School, their mothers and friends, one given by Dr. Lucy Wilson of Philadelphia who spoke on the subject of "Why Go to College". The second talk was given on May 2nd, and the time was divided between two speakers, Mrs. Butters, of Rutgers, who spoke on "Budgeting", and Miss Eleanor Ely Ford, who spoke on the interesting subject, "Getting Your Money's Worth".

The Chairman of the Women's Exchange, Mrs. Raycroft, presented the following report:

"The Women's Exchange has been carried on this year, with the idea of finding out whether or not it is an enterprise to be continued under the management of the College Club.

"The Exchange has been open on 18 Saturday mornings from 10 - 1 o'clock, and two Saturday afternoons. Besides, quite an extensive business in cooked foods developed, deliveries being made any day.

"Five months' rent, of $5.00 per month, has been paid to the Y. W. C. A., small expenses have been met, and $20.00 turned over to the College Club.

"There have been further quite regular consignors of cooked foods, and fifteen sent in articles for the needle work sales. There have been twenty-odd patrons more or less regular.

"All this was without any effort at advertising, either for conseignors or patrons.

"The committee has come to the following conclusion:

"(1) There seems to be a very definite place and need in Princeton for a Women's Exchange.

"(2) The College Club seems not to be the best organization to conduct an exchange, the membership being such that it is impossible to get enough workers to keep it from being a great tax on a few.

(Signed) Elizabeth B. Raycroft.
Harriet R. Coney."

After hearing this report a most hearty note of thanks was voted to this committee, and it was decided to accept the suggestion that the work of this committee be discontinued. It was also decided not to undertake to serve lunch this year for any class having a Reunion.

The Chairman of the Entertainment Committee, Mrs. Fetter, being absent, there was no report for this committee.

The Loan Committee, Mrs. Loomis, Chairman, said they would be glad to loan money to new girls, if there were any who needed such help. At present arrangements have been made to loan $200.00 to one girl, who wants to go to Smith this fall. This girl has a good average school record and has worked after school to earn money, for three years.

Mrs. Loomis then reported that her committee had decided it was best to make a number of changes in regard to awarding scholarships and loans. And she asked that

(1) All the articles about the time and method of awarding of scholarships be rescinded;

(2) "And whereas it has been the desire of the Woman's College Club to award a scholarship upon the basis of Competitive College Board Examinations open to all girls of Princeton;

"And whereas it has been found that there is now no common standard by which the results of the old plan college board examinations and those of the comprehensive examinations may be compared, therefore be it resolved that for the present this scholarship money be divided equally between the High School and Miss Fine's School and awarded as scholarships to the girl in the Senior Class of each school who may make the highest standing throughout her college preparatory years;

"And further be it resolved that the award be made at the commencement time of each school."

It was moved and carried that the above recommendation be accepted.

Mrs. Loomis then reported for the "Special Committee appointed to draw up resolutions touching the disposal of funds repaid by student borrowers": (See report attached.)

Mrs. Coney moved that enough money be added to the $39.00 which is now available to make it $50.00, so as to give $25.00 to each school for a scholarship for the Senior who has had the highest standing throughout her college preparatory years.

This motion carried and a vote of thanks was given to this committee, which is to be continued.

Mrs. Coney, Chairman of the Nominating Committee, presented the following names as officers of the College

Club for the coming year:

For President: Mrs. James Gerould

Vice President: Mrs. C. S. Tippetts

Auch

The Special Committee appointed to draw up resolutions touching the disposal of funds repaid by student borrowers presents the following report.

Be it resolved: that the loans repaid be added to the Sinking Fund and that the income from the whole fund be appropriated annually for one or more scholarships as the fund grows

And be it also resolved: that the Loan Committee be known henceforth as the Loan and Scholarship Committee and that the award of said scholarships be made by this committee.

Be it further resolved: that it be the duty of this committee to give publicity to these scholarships and due notice of the terms upon which they are to be awarded to all school girls of Princeton who might be applicants.

Be it resolved: that these resolutions go into effect immediately, the first applications to be made in March 1922 and the first scholarship be awarded in September 1922

Be it resolved further more: that for the present year the College Board examinations be the basis of award.

And whereas up to the present time this committee has been unable to secure sufficient information to establish a standard of comparison for the ratings of girls taking examinations under the two plans now offered by the College Board, namely the Uniform and Comprehensive Examinations, therefore be it resolved that these scholarships be awarded for this year only to applicants taking examinations according to the Uniform plan.

And whereas the College Board examinations may be taken in sections extending over a term of several years be it resolved: that the standing in all the College Board examinations presented for College entrance credit be taken into consideration, each at its unit value

Inasmuch as the committee feels its report is incomplete it asks to be continued until sufficient data be secured as to a satisfactory basis of award of these scholarships

Respectfully submitted

   Its object shall be to collect data concerning colleges open to women; to place on file information for the use of prospective students in such institutions; to raise a fund for the use of Princeton girls unable otherwise to continue their studies;and to foster friendly fellowship among its members.

   be amended (1) by dropping the phrase "unable otherwise to continue their studies" and (2) by inserting after the word "girls" the phrase "to encourage scholarship by offering various prizes" so that the amended article shall read

"Its object shall be to collect data concerning colleges open to women;to place on file information for the use of prospective students in such institutions;to raise a fund for the use of Princeton girls;to encourage scholarship by offering various prizes;and to foster friendly fellowship among its members."

The committee recommended that the notice of the proposed amendments be sent to the present members with an explanatory note that the changes are not retroactive. It also recommended that in considering an application for membership the interpretation of the phrase "college of recognized standing" depend upon the list of colleges and universities in the latest report of the Association of American Universities. Applicants from other colleges and universities must first be accepted by the executive board before being admitted as members. This committee consisted of Miss Vanderbilt,chairman,Mrs.Loomis and Mrs.Van Hoesen.

These amendments were accepted with a change in the wording of the third. They will be presented to the fall business meeting for ratification.

The Treasurer's report was read,showing a balance of

$1,201.16 in the Current Expense Fund;
159.54 " " Loan Fund;
172.77 " " Interest of Scholarship Fund.

There was much discussion on the correct division of funds under the new plan. It was decided that the Treasurer should transfer the balance from last year's General Fund to the Loan Fund instead of to the Current Expense Fund as it now stands.Mrs.Loomis,Mrs.Eidman and Miss Dietel were appointed to adjust the funds according to the new plan.

Mrs.Conklin reported for the Entertainment Committee that Mrs.Fox is to be a member of the Dramatic Committee,and Mrs.Compton is to take charge of music,Mrs Elderkin is to give a talk on art later in the year and the Lawrenceville women are preparing a musical program. Miss Katherine

Miss Margaret Fine and Mrs.Eidman were appointed a committee to report upon this matter at the annual meeting.

Mrs.Dixon reported for the membership committee that 47 invitations had been sent out to new members. Under the head of new business the question of badges for use at College Club affairs was brought up and disapproved. Mrs.Loomis of the loan committee said that the loans reported at the spring meeting had been made.

Miss Margaret Fine reported that upon the recommendation of the executive board she has investigated the price of cups and saucers for the subscription dances. It had been felt that the borrowing of cups and saucers from the Graduate

College for these dances had been too great a burden upon the committee who ran these dances for the club. She found that 200 cups and saucers and 200 teaspoons could be bought for $50. These can be rented for other occasions for one quarter of their value. It was voted that the club authorize the treasurer to buy these for the club.

The special committee consisting of Miss Vanderbilt, Mrs.Van Hoesen and Mrs.Loomis,appointed to revise the constitution,suggested the following amendments:

The Constitution Revision Committee suggests the following amendments:—

1. That Article II of the Constitution as revised January 13, 1920, which reads

> Its object shall be to collect data concerning colleges open to women; to place on file information for the use of prospective students in such institutions; to raise a fund for the use of Princeton girls unable otherwise to continue their studies; and to foster friendly fellowship among its members

be amended (1) by dropping the phrase "unable otherwise to continue their studies" and (2) by inserting after the word "girls" the phrase "to encourage scholarship by offering various prizes" so that the amended article shall read

> Its object shall be to collect data concerning colleges open to women; to place on file information for the use of prospective students in such institutions; to raise a fund for the use of Princeton girls; to encourage scholarship by offering various prizes; and to foster friendly fellowship among its members.

2. That Article III, Section 3, which reads

> The standing committees of the Club shall consist of a Committee on Membership, Committee on Loans, Committee on Investments, Committee on Entertainment, chairmen to be appointed by the President

be amended by inserting the following phrase after the word "Entertainment"; namely, "Committee on Publicity", so that the amended section shall read

> The standing committees of the Club shall consist of a Committee on Membership, Committee on Loans, Committee on Investments, Committee on Entertainment, Committee on Publicity, chairmen to be appointed by the President.

3. That Article I of the By-Laws which reads

> Any woman who has been a college student may become a member of this Club upon the payment of annual dues of two dollars

be amended to read

> Any woman who has completed at least thirty units of work towards a degree at a college of recognized standing is eligible for active membership in this Club upon the payment of annual dues of two dollars.

The first two amendments were adopted as read. The third was adopted, with the last sentence changed as follows: "Any woman who has completed at a college of recognized standing at least thirty units of work towards a degree is eligible for active membership in this Club upon the payment of annual dues of two dollars."

The question of the status of contributing members and of the advisability of inviting new contributing members to join the club was referred to the executive board.

The committee in charge of the printing of the constitution and the new list of members asked the Club whether they wanted their maiden names or their addresses included in the list. The expense of printing both would be too great. It was voted to have the address included.

The chairman of the entertainment committee asked the members whether instead of a pay entertainment for which they would have to sell tickets they would prefer to pay a tax at the end of the year in case more money should be needed for loans. It was voted for this year to adopt the latter course.

The general fall business meeting of the Womens College Club, combined with a very pleasant tea, was held at the h house of Miss Sarah Duffield, on the afternoon of Nov. 7, 1927. The President, Mrs. Eidman presided.

The Secretary's minutes and the Treasurer's report xx were read and approved.

After some discussion it was moved by Mrs. Loomis and seconded that a special business meeting be called, with two weeks notice, to amend the constitution and by-laws so that the bonds might be legally transferred. This motion was carried.

(It later developed that the bond transfer could be made without amending the constitution and hence the meeting was not called.)

Mrs. Eidman called attention to the inconvenience arising from the fact that the club officers elected in May do not take office until Mxxx Oct. 1st and Mrs. Conklin moved that the amending of the constitution on this point be considered at the called meeting above provided for.

Motion seconded by Mrs. Buddington and carried.

It was announced that Mrs. Elderkin would give a series of lectures on ancient history and that the receipts would be given to the scholarship fund.

The question of a new club directory was broached and after discussion Mrs. Coney moved that a slip with list of names, addresses and college of new members be printed and distributed. Motion seconded and carried.

The subject of appixxxxixxx eligibility rules for membership in the club was discussed at length but no action taken.

The business meeting was then adjourned and the membe ers present gave themselves up tothe pleasures of tea and conversation.

Respectfully submitted

Ladies:

Your investment committee wishes at this time to submit the following report:

The $2550 par value of Liberty Loan Bonds held by the Club were sold in November, at a profit of $75.68, the net price received being $2625.68. This money, with other funds available for investment, has been invested in $2,000 Hun School First and Refunding 6% bonds due 1937. $1,000 will be invested in the Princeton Court Club First Mortgage 6% bond due 1937, leaving a balance of $400 to be invested in a Building and Loan note for permanent investment. At this time it seems wise also to invest $600 of the Loan Fund in a Building and Loan note, which can be redeemed on demand when needed in the fall for loans, in the meantime earning 6% interest instead of 3%.

In addition to the above investments, the Club owns $1,000 Princeton Water Company 6% bond due 1931, and 3 shares Pennsylvania Railroad Company stock, giving a total of principal investments of $4550, and $600 in a temporary loan.

Respectfully submitted,
